Participation in the Love & Light trail is at your own risk. This trail is provided as a bit of friendly community fun on your daily walk with your household or bubble. Please only complete the challenges if you are fit and healthy enough to do so. Parents and carers are responsible for their children at all times. Please follow the government guidance for Covid-19 safety, and do not gather in large groups. If it's dark when you do the trail, how about wearing something bright for added road safety & sparkle. If you have food allergies please avoid the sweets. Above all the aim is to have fun!

With love from all at St Mary's and The Chapel. www.ash-vale.org.uk www.ashvalechapel.com
